

# YOUTH AND FAMILY MINISTRY

## Family Survey

The Youth and Family Ministry of St. Matthew Lutheran Church continues to pursue the needs and concerns of our St. Matthew's families. We recognize the importance of families and that youth are not merely the future of our church, but its present day treasure. Please take a few minutes and complete the survey below so that we may better serve you:

1. How can we increase the attendance of children at worship services?
2. Do you find the time of either worship service "better" for children, 8:30 or 11:00am?
3. Do you have any suggestions about how to involve children more in the worship service?
4. Are you interested in having your children (3<sup>rd</sup> through 6<sup>th</sup> grade) participate in Children's Choir (Note: we plan to incorporate games, parties and perhaps sleepovers into Children's Choir)? Does 5:45pm or 6:30pm on Wednesdays work? Is there another time that would work better?
4. Do you have any suggestions to enhance Sunday Church School?
5. Are there any activities you would like to see planned for youth and/or families?
6. Service projects have been popular. Do you have any suggestions for future service projects?
7. Do you have another day or time you would like to see for worship service?
