Parental Participation

The Youth and Family ministry at Saint Matthew understands that parents are primarily responsible for their child's faith formation, and that the church's role is to support parents in that formation. The Sunday School Program is a volunteer ministry and needs parental help to provide the best learning environment possible.

We ask that you consider participating in at least one way during the school year:

- As a substitute teacher
- As a parent helper in the classroom (occasionally or regularly)
- Helping with service projects (e.g., visiting soup kitchen, nursing home)
- Helping to decorate bulletin boards and/or the classroom
- Helping with Vacation Bible School in the summer
- Cooking / bringing refreshments for special events
